# AMIS Monkeypox Survey 2022

---

**Thank you for your interest in our study! We would like to invite you to take part in a new study about monkeypox. This survey should take about 20 minutes to complete.**

**We will first ask you some questions to determine if you are eligible to participate. Some of these questions, as well as questions in the survey, are similar to ones that you have answered in previous surveys. We would still like for you to answer them.**

**If you are not eligible, we may ask you to provide an email address so we can contact you about future research studies for which you may be eligible. Providing your email address is completely optional.**

**If you have any questions or concerns, you can contact us at [amis@emory.edu](mailto:amis@emory.edu).**

**Our privacy policy: Any information shared in this survey is strictly confidential and will only be used for research study purposes. All the information that we gather from you today is safely stored.**
